# THE TILLAMOOK TREASURE

Max Gail  
Floyd Red Crow Westerman

and introducing  
Suzanne Marie Doyon  
as Julie

Julie, a lonely 14 year old, and her family move in with Uncle Jimmy (Brian Thompson of *The Terminator* and *Star Trek: Generations*) on the Oregon seaside after her dad loses his job. Her parents are on verge of splitting. Grandpa Jack (Max Gail of *Barney Miller* fame) and Standing Elk (Floyd Red Crow Westerman of *Dances with Wolves*) become Julie's elder counselors.

After a mystical encounter with a huge Elk on the beach, Julie finds an old Spanish doubloon. She learns of a legend that tells of Spanish sailors burying a chest of gold on Neahkahnne Mountain in the late 1500's. An Elk and the spirit of a slave murdered by the Spanish become her guides as she searches for the gold, hoping to ease her family's problems.

In her quest for the treasure Julie discovers more than she's bargained for. Her courage and resolve are stretched to the limits as she solves the mystery of **The Tillamook Treasure.**
